Welcome to YVC!

Before registering for projects, you must first complete a one-time Youth Volunteer Profile and Waiver. **YVC requires every volunteer to have a waiver completed before the start of their first project.** A youth who attends a YVC project without a waiver may not be permitted to serve. Volunteers only need to complete one waiver, regardless of the number of projects they are registered for. If you are registering multiple volunteers, you will need to complete a waiver for each volunteer.

THIS IS A LEGAL DOCUMENT. PLEASE READ CAREFULLY.

Please note, this information is kept confidential and will not affect the youth's ability to participate in YVC programming. It is collected for anonymous grant reporting and program improvement purposes only.

IMPORTANT PROJECT INFORMATION

IMPORTANT PROJECT INFORMATION

{Sample email continued}

Attendance

YVC youth volunteers commit to being on time and volunteering all scheduled project hours. Transportation is not provided.

Virtual projects

If you have registered for a virtual project, login information will be sent directly to you in advance of the project. Please check your email for these details.

What to wear to projects

For all projects, volunteers should wear weather-appropriate clothing and closed-toe shoes. For summer projects, volunteers should wear a YVC T-shirt (one shirt is provided for free on the first day of summer projects). It is expected that youth wear their YVC T-shirt every day of summer projects. If there are special requirements, these will be noted in project descriptions. Only one shirt will be provided for each youth during the summer. If you would like to purchase an additional YVC shirt, please contact your program director.

What to bring

YVC youth volunteers should bring a sack lunch if the project is during lunchtime (unless your project says lunch is provided), water bottle, and sunscreen/bug spray (for outdoor projects). If there are additional special requirements, these will be noted in project descriptions.

What to expect

The YVC program director will be onsite to supervise each project. YVC youth volunteers begin projects with an icebreaker or team-builder activity to get to know one another. Volunteers are introduced to one another and agency staff who provide instructions to the team. As service takes place, the program director will lead volunteers in service-learning activities, energizer games, and facilitate meaningful reflection. Our goal is to create service that is rewarding, challenging, and educational for youth.

Youth behavior

YVC youth volunteers commit to maintain a positive, respectful attitude; participate in all project activities; abstain from profanity, drugs, tobacco, alcohol, sexual activity, or violence of any form; and keep personal electronic devices out of sight during YVC projects.

Project cancellation

YVC does not offer refunds for cancellations for projects youth are unable to attend. If YVC cancels a project for any reason, all participants will receive a refund. Cancellations will be communicated by the program director.

Questions? Contact programdirector@yvchr.org!
